

**Lighted Bases:** Our's are the finest quality lighted bases available. We offer a variety of plug-in and battery powered models in several sizes and styles. Our satin black finish is the most popular. In addition to satin black, mirror topped satin black and one mahogany

style are available. To round out our selection we have a fluorescent model for larger pieces. If you don't find what you need in our stock line, we will be happy to produce a custom base to your specifications.

**Solid Bases:** Elevate and draw attention to that special creation or award. We offer a satin black battery powered revolving base and solid wood presentation

bases that come in satin black and genuine mahogany. Each base comes in four stock sizes. These bases have a suedeed recess area to inset your prized object.

**Boxes & Accessories:** Our collection includes desk accessories, personal accessories, and a full line of Economy Cases including a medallion case, utility case, two deck card case, and a golf ball case (previous page). The possibilities for customization,

decoration, and personalization are endless. Corporate logos, graphics and text can be laser engraved directly on the product or etched on brass plates. Inlay, hot stamping, and silk screening are among the many other options.

**Humidors:** The finest humidors need the finest fittings, and ours have it all. Solid brass hardware and the best humidification system on the market. Spanish

cedar lining and a tight fit that will "woosh" you away. Several models are available. Custom humidors available upon request. Remember, we can personalize them too!
